Notes from the boss.....

I thought there was much to talk about from our opening game. We got off to a good start with a goal in the opening three minutes and I was glad for Gary Henshaw for taking that sort of opportunity. From then on and throughout the first half we continued to make numerous chances and there was some great constructive play. There were five new faces in the side and they are still building up an understanding between them.

I just hope that the midfield are encouraged by Henshaw's contribution and that they continue to look for opportunities to score from midfield and not to leave it solely to the forward players.

The biggest disappointment came in the second half. When we faded and allowed Crewe to come more into the game. It was one of those instances where had we played under-par in the first half and come in 1-0 up and played well in the second period we'd have been very pleased.

I don't think we should get too

disillusioned over the whole issue. Working on the full 90 minutes play we must have created a dozen chances and I was pleased with the crowd and the way they voiced their encouragement to the lads.

If the new faces can quickly slot in, I think we will be alright, but remember Rome wasn't built in a day.

I considered the Wigan game last Tuesday to be a stern test because they have started hitting the net early doors both pre-season and last Saturday, however we are still in there with a great chance for the 2nd leg.

Today I would like to extend a warm welcome to Cardiff City Directors, Staff and Players.

Burnden Visitors

CARDIFF CITY

Today we welcome Directors, Players and Supporters of Cardiff City. They come to Burnden with a history of tradition, but like ourselves have slumped to the Fourth Division.

They spent their first season there last term and finished mid-way in the table.

Cardiff have one of the most impressive grounds in the Fourth Division and have staged many International games at Ninian Park, and even today the record attendance stands at 61,566 set in October 1961 for the Wales v England International.

Even nowadays considering all the new safety regulations the modern capacity is set at 40,500.

Cardiff have one of the smallest Board of Directors in the football league. It consists of two former International athletes — Ron Jones (Managing Director) and Tony Clemms (Chairman). Ex-Olympic runner Ron Jones admits that decision making is a lot easier. Cardiff see their long term future in signing good young local players and Manager Frank Burrows has virtually rebuilt the side with youth policy in mind. Fed up with seeing good Welsh talent going to English clubs, they are now themselves scouring the Welsh League and South Wales Amateur League, and it seems to be paying off, for the Club's Youth Team recently won the Welsh Youth Cup.

CREWE 1

BOLTON 1

New boy Gary Henshaw proved an instant hit for Bolton.

The free-transfer signing from Grimsby grabbed a superb debut goal, to give Wanderers a dream start.

Crewe, apart from an occasional break, were forced to play a minor role to a confident and crisp Wanderers side.

Thompson controlled the midfield admirably, and the busy Chandler saw a header brilliantly saved by Parkin.

Thompson himself was just wide with a 25 yarder, and a Morgan centre rolled agonisingly across the undefended goal without a Bolton forward able to get a decisive touch.

Crewe had much to thank Pemberton and Billing for as Wanderers looked menacing.

But then the pattern changed. Crewe became more adventurous and Bolton's shine wore thin.

The Bolton defence began to look uncertain as Bodak and Platt led the charge.

Danger lights flashed when Joyce headed off the line from Gage — then the inevitable happened.

Platt resisted a Darby challenge, crossed hard and the ball took a deflection off a defender to go in off the post.

Bolton manager Neal said afterwards: "We showed such good discipline in the first half that it was a great disappointment to see us become so ragged. You could sense the goal coming."

Bolton Wanderers hit the Fourth Division trail like an express train. . . . then ran out of steam as Crewe came up on the rails for a share of the points.

Wanderers fans will be hoping the players don't find it too difficult to live up to some of the standards of football they played in the first half.

They will certainly find it difficult to better Gary Henshaw's quality goal, just three minutes into his Bolton debut.

Too good to be true? Not really, just simple, positive football, shrewdly planned and accurately executed.

A long clearance by Dave Felgate, collected and controlled by John Thomas, fed out to Jeff Chandler on the left and crossed for Trevor Morgan to unselfishly tee-up for Henshaw to lash home a first time volley.

It was all going so well. More good football, a couple of near misses and plenty of excitement. . . the supporters could hardly believe what they were seeing.

Crafty Crewe refused to take it all lying down.

Darby was substituted late on but not before Crewe danger man Dave Platt had turned him to rattle in the 72nd minute equaliser that had been on the cards for much of the half.

John Thomas, happy to be 'home' after four years of travels, scored 26 goals in Preston's promotion campaign last season and knows the Fourth Division well enough to predict: "We'll play a hell of a lot worse than that this season and win games at least 2-0."

GUEST SPOT

ANDY GORAM —
OLDHAM ATHLETIC & SCOTLAND

Football could easily have lost Andy Goram to the game of cricket. He is very talented at both but it was whilst playing for Marauders, a Radcliffe based junior team, who over the years have produced many promising players, that Andy was spotted by a West Bromwich Albion scout.

He signed on as an apprentice at the Hawthorns in the era of Ron Atkinson. When 'Big' Ron left to take over at Manchester United, Andy was released along with several more in the end of season 'clearout'.

At the time Andy must have thought his football career was in tatters. The writer of this column tried to 'pick up the pieces' for Andy at Bury, but he walked away after embarrassingly waiting outside the dressing room when he became impatient. Within 24 hours Colin McDonald who was Chief Scout at Oldham had moved in to secure his signature.

That was in 1980 and during that season Andy impressed with the Reserves and was slotted into the first team for the last three games.

His father, Lew has given him valued encouragement throughout, he was Bury's 'keeper in the '50's and watches his son as much as he can.

Pessimists reckon Andy is short in height for a goalkeeper, but what about Eddie Hopkinson who holds a record

519 appearances for the Wanderers and going back further Harry Hibbs of Birmingham. Both gained International honours.

At 23, Andy is already conversant with the full International scene. He has represented Scotland against East Germany, Holland, Rumania and Brazil.

He was in the England U-21 squad when Joe Royle informed the Scotland authorities that Andy was eligible due to his father hailing from North of the Border.

Andy said, "At National level I didn't really know how the Hampden crowd would react towards me due to playing in England, but they have been great."

Of the four countries he has played against to date, Andy reckons Brazil as being the best. "They're a universe apart," he added.

At club level Liverpool stands out in his mind. He said, "I played there in the Milk Cup two years ago, we lost 3-0 but the crowd were fantastic and created a really good atmosphere.

Andy's progress had not gone unnoticed and he's been linked with several clubs, only last weekend one Sunday newspaper reported an interest from Leeds but the talented 'keeper now discards all stories. "At one time it used to have some effect on me, but now I just get on with my own game.

FLASH BACK

5 YEARS AGO. 17th August, 1982. The Wanderers went out of the Lancashire Cup with a single goal defeat by Blackburn Rovers at Burnden. The winner came in the 66th minute of an undistinguished Derby clash from the head of John Lowey.

21st August, 1982, Bolton and Blackpool played out an incident packed Lancashire cup tie at Bloomfield Road that ended 2-2. Wanderers keeper Simon Farnworth was stretchered off after only eight minutes, then substitute keeper, Jim McDonagh was booked after only seven minutes on the field for an outlawed cynical foul. Dave Hockaday put Blackpool in front with Jeff Chandler equalising just before half time. Simon Rudge put Bolton in front with his first goal for the club but Peter Noble equalised two minutes from time.

10 YEARS AGO. 20th August, 1977. The Wanderers kicked off the League season with two points from a 1-0 win at Burnley. They were without Paul Jones who was having a cartilage operation on a knee injured in the pre-season tour of Germany. Andy Clements made his debut in what was his only League game for the Wanderers. Clements, Ray Train and Sam Allardyce were booked as Burnley went in search of an equaliser to Roy Greaves' 51st minute goal. The winner was a simple one with Greaves side footing the ball home from close range after Tony Dunne and Neil Whatmore had split the home defence.

15 YEARS AGO. 16th August, 1972. Bolton defeated Oldham Athletic 3-0 at Burnden in the first round of the League cup. Garry Jones netted the first goal in the second minute of first half injury time and grabbed a second in the 63rd minute. John Byrom rounded off the scoring ten minutes later with a headed goal from a Roy Greaves cross. Oldham's George McVitie made his debut after he had joined them for their then record fee of £20,000.

19th August, 1972. A 71st minute goal by Mick Jones gave Notts County the points at Meadow Lane. There seemed to be a jinx on full backs at the Wanderers with Henry Mowbray leaving the field injured at County and John Ritson putting through his own goal in the reserves 2-1 win over Manchester City.

RESERVES NEWS

The reserves and A team's build up to the new season continued on the 1st August with a 1-0 win at Ellesmere Port. The Wanderers did well with five trialists in the side, the winner coming from Mark Raven, in the second half of a game that was scrappy due to the strong wind over the exposed ground.

The following Tuesday, the annual game with Daisy Hill at New Sirs, took place. The Westthoughton side ran out 2-0 winners with both goals coming from defensive errors in the first half an hour. Chris Banks was denied a goal by some fine goalkeeping and a number of chances to at least square the game went begging.

On the 6th August the Wanderers made their first of three visits to Merseyside within a week when they took on Bootle. The home side took the lead on the half hour when a 25 yarder found the bottom corner of the net with Ryan Price well beaten. A minute from half time Bootle went two up but right on the stroke of half time Mark Winstanley blasted home a rare goal to reduce the arrears.

Whilst Ian Stevens went close with a scissor kick and Steve Elliott was unlucky not to have been awarded a penalty, when he was pushed, it was Bootle who sewed up the game with a third goal.

Four days later Bolton took on Kirkby Town at the local sports stadium in surroundings more akin to the continent, with a running and cycle track between the stands and pitch.

The home side took the lead in only the second minute a Flanagan volley doing the damage. Ian Stevens equalised for the Wanderers 23 minutes later when he beat the oncoming keeper to slide the ball underneath him from close in. Bolton took the lead in the 65th minute thanks to an own goal from Reddington, who turned a Steve Elliott cross into his own net.

Two goals in the 61st minute restored Kirkby's lead and a free header twelve minutes from time made it 4-2 for the non leaguers.

The friendlies wound up on the 13th August when South Liverpool won 7-2 with an incredible final seven minutes. The Wanderers were 3-1 down at that stage with Ian Stevens having netted the goal. Nick Brookman made it 3-2 with a brilliant 25 yard drive into the top corner, then amazingly Bolton went to pieces, Liverpool grabbing four goals in the final six minutes of the evening gloom.

Down in the Valley!

What a interesting article on Jimmy Phillips in last weeks programme. Now you may have wondered how the departure of Jimmy to Glasgow Rangers ever came about, well here's the exclusive of how it all happened.

If you can cast your minds back to the Cup ties with Halifax last season, well it was the second replay at Halifax on a sunny November evening when a heavily disguised Graeme Souness or was it Yosser Hughes made his way to the Shay Stadium.

On that night Jimmy's fortunes were to change, Graeme had spotted potential and for the next couple of months, Jimmy's progress was monitored until that fateful morning when Graeme left his desk and told his staff, "I am just nipping out for a Jimmy" and another Wanderer left to become a Ranger.

Enough of all this name dropping, lets get back to reality with the visit of our friends from the Valleys, Cardiff. Welsh seems to be the second language round Burnden these days with Dave Felgate teaching the lads the Welsh alphabet. Shows what a Welsh cap can do for the ego!

Mind you might not be a bad idea this season because we will be travelling over the Border for a record four times this season. Cardiff, Newport, Swansea and Wrexham. So Taffys watch out, the Wanderers are about.

Welsh football over the last few seasons has taken a unhealthy decline with Swansea slipping from the first to fourth, and both Cardiff and Wrexham going from the second to fourth. Todays clash sees two F.A. Cup winners facing each other in the fourth division, unthinkable years ago but fact today.

KEEPING OUR FEET – WITH SORBOTHANE.

The players will be wearing Sorbothane 'Shock Stoppers' this season, thanks to a sponsorship deal set up between Commercial Manager, Alf Davies and Nat Lofthouse with the Leyland based Company.

'Shock Stoppers' is a unique under-foot cushion which is capable of absorbing up to 94% of impact shock generated every time your feet strike the ground. The product can be used in any energetic sport and already used by many English clubs.

Sorbothane Business Manager, Chris Turner said, "Bolton Wanderers are the first along with Liverpool that we have backed with sponsorship in England although we do support the French National team and French League sides with our product."

'Shock Stoppers' are in popular use all over Europe and the USA and they are actually manufactured in Leyland.

Below, Nat Lofthouse and Alf Davies show off the product.

NOTEBOOK

GOLDEN OLDIES.

17th September, 1966. The Wanderers visited Ninian Park as leaders of the second division with seven games played. Cardiff were lying in 15th place and had won only one of their four previous home games.

Bolton took command of the game and went ahead through a Fred Hill goal after 17 minutes. Five minutes from the interval Don Murray put through his own goal from a Francis Lee cross to give the Wanderers a two goal half time advantage.

George Andrews pulled one back for City four minutes into the second half but a close range header, from Welsh International centre forward Wyn Davies, ten minutes later restored Bolton's two goal lead.

Another header from Davies in the 70th minute gave Bolton a fourth goal although six minutes later John Toshack converted a penalty for Cardiff's second goal after John Napier had handled.

Francis Lee made it 5-2 to record Bolton's best ever win at Cardiff keeping them on top of the table.

between the sides have taken place in the top two divisions, highlighting the recent fall of both clubs, in League stature.

The previous four games with the Welshmen, played at Burnden, has produced no less than 21 goals with the Wanderers taking the points on each occasion. Indeed Bolton have now recorded six straight wins on home soil ending a run of three defeats and two draws in the late sixties when Cardiff were pushing for a return to the first division.

Cardiff were successful on their first ever visit to Burnden in October 1921 by 2-1 with a couple of goals from Gill, Roberts scoring late in the game for Bolton.

Their last visit was more memorable, in that the Wanderers netted five without reply in the only third division game between the clubs at Burnden, in March 1986.

Phil Neal started the rout with his first goal for the club in first half injury time. It was the start of four goals in a 17 minute spell with Mark Came getting the second a minute into the second half, Warren Joyce and Tony Caldwell made it four and George Oghani wrapped things up ten minutes from time.

OUT & ABOUT

JUNIOR WHITES SPOT - Sponsored by HB Electronics.

The Junior Whites go into their season full of confidence. In a pre-season warm up against Tempest Utd., the youngsters produced their best display to date in a 5-3 thriller. Leading 3-1 at half time thanks to goals from Ben St. Barbe (2) and Jonathan Almond the Whites carried on during the second half when St. Barbe completed his hat trick, scoring from the edge of the box.

It came as no surprise when they increased their lead further and again it was Ben St. Barbe.

In the closing stages the Junior Whites committed the immortal sin and relaxed and Andrew Harbridge took advantage to score twice, and complete his hat trick in a 5-3 final scoreline.

TONY'S GESTURE

Recently, a lucky customer at the Lord Clyde in Folds Road won £100 on Wanderers 'Night-line'.

When Nat and the lads went round to present the winning cheque, Tony Adams, licensee at the pub gave back his own commission on selling the winner.

"Donate that to the 'Walk for Life' campaign", Tony insisted.

It's not often you outwit Nat Lofthouse but in this instance Tony's gesture was very much appreciated.

JOHN IN A RUSH

It's hard to follow in the footsteps of someone like Ian Rush.

Liverpool of course have now lost 'Rushie' to Juventus and they will be hoping that Peter Beardsley and Co., will fill the gap.

Less glamorous Chester City know all about this when Ian Rush left them for Liverpool.

That particular season he had hit the net some 17 times.

When John Thomas was released by the Wanderers, he was quickly snapped up by Chester and he certainly filled the gap. In the 82/83 season, John bagged 24 goals — seven more than Rush.

Now back at Burnden, John Thomas will no doubt be hoping he can recapture that sort of goal-scoring touch.

His tally however isn't a Chester club record — that's held by Dick Yates who scored 36 in the 1946/47 campaign.
